PERSONAL INJURY

An Introduction to Barwells Personal Injury Department

Barwells have a team of specialist personal injury lawyers who have many years experience of helping accident victims recover maximum compensation quickly.

Whether your injuries have caused pain and inconvenience for a short period of time, or have been serious enough to change your life, we recognise your right to be fully compensated by whoever was at fault and we will provide a service to suit your individual needs.

Did you know?

“Over the past three years, nearly 80% of those who have suffered injury in an accident and have taken advantage of a free initial legal consultation have decided to go ahead with a claim and some 90% of claims have been successful.”

The Law Society

Can I make a claim?

If you have been involved in: -

- An accident at work
- A road accident
- An accident in the street or other public place
- Some other accident or injury

You may be able to claim compensation for: -

- Pain and suffering
- Loss of earnings
- Damaged belongings
- All other expenses

Will I have to go to Court?

Most claims are settled without going to Court following negotiations which we carry out on your behalf. We will advise you honestly and quickly if you have a good claim.

How much will it cost me?

We offer a free initial interview and we will assess your claim free of charge with no obligation. We are pleased to arrange hospital and home visits.

We operate a Law Society approved “No Win No Fee” scheme. If you do not succeed in recovering compensation you do not have to pay for the work we have undertaken on your behalf. There are no middle men or hidden charges.

Why Barwells?

You will deal only with personal injury lawyers and their specialist staff who are always on hand to answer your enquiries.

The department is headed by David Harris who is a member of the Law Society Personal Injury Panel. All the lawyers in the department are members of the Association of Personal Injury Lawyers who specialise exclusively in acting for accident victims and promoting their interests.
