INTER COUNTY CHAMPIONSHIPS - 2014

#### AMATEUR SWIMMING ASSOCIATION - SOUTH WEST REGION

Welcome to the 2014 Inter-County Championships organised by the ASA SW Region. These Championships are an annual event and it is the aim of the ASA SW Region to ensure that each of the County Associations of the ASA are represented within the discipline. So that you know who represents the discipline at a Regional level, the Committee thought it would be helpful to set out the Committee's membership in case you have any queries or suggestions as to how the Region can assist you, your Club, or your County Association.

**Fred Fowler** 

Chairman

Fred helped start the revival of Dorset County Water Polo in 2006 and Dorset won their first County title in 2013. Fred leads the ASA SW Committee and represents the Region nationally.

**Brian Steer** 

Devon Rep

Brian is one of those 'back room' individuals, without whom events like today simply would not happen. Be it admin, table officiating or general tournament management (as today), Brian is one of a few who make up the 'backbone' of the sport in the SW.

John Spicer

Glouc Rep / Coach

John is an 'unsung hero' of the sport, and is probably responsible for producing more top 5 club players in the UK over recent years than any other single person. A superb youth development coach!

Ian Mair

Masters Rep

lan or 'Piggy' is the Masters Rep on the Committee and is responsible for oversight of all competitive elements of the sport in the SW for the over 35's. Tournaments in Liverpool, Plymouth and abroad fall within his remit, as well as being a dedicated coach and referee.

**Mike Coles** 

Somerset Rep / Officials Co-Ord

Mike is a stalwart of the sport in Somerset and the SW generally and heads the officials group within the SW Region. Mike also is the Lead Referee for the Inter-County Championships.

**Ben Bately** 

SW Region President

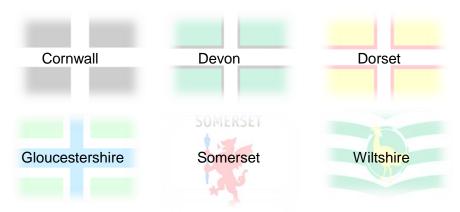

Mr Bately is the President of the SW Region for this Competition Year, and will be presenting the medals at today's Tournament. Please do feel free to approach Mr Bately to ask any questions regarding the operation of the SW Region generally.

#### STORY & FORMAT OF THE CHAMPIONSHIPS

The ASA SW Region has run the Intra-Regional Championships for over 100 years.

This year is somewhat special in that for the first time in living memory, each of the 6 counties that make up the SW Region are represented in this year's Championships, and all are represented today!

### The 6 counties are:

In the post-war years, it has been the Counties of Gloucestershire and Devon that have traditionally split the honours of winning the Inter-County Championships, with the odd win from Somerset in a variety of Junior Age Groups. Recent years results are summarised below, and of note – Dorset won their first ever County Championship in 2013.

#### Who to look out for ...

There are some very talented athletes participating at Millfield throughout the day, here are three to look out for ...

# Kathy Rogers (15, Christchurch, Dorset, SW, GB)

Kathy starting playing Water Polo at her local Club in Christchurch, Dorset at the age of 10, and in five years has risen from winning the Dorset League in 2009, to representing Great Britain in 2014!

Kathy attended the Exeter Regional Training Centre before moving on to England Talent training in Cardiff.

In 2011 Kathy started playing in the British Water Polo League for Southampton and recently has moved Clubs to play in Division 1 for Otter.

Kathy's advice for those players wishing to follow in her footsteps is ... to be very focussed to succeed, "you will have to do your homework in the car, and even on poolside!" Kathy also notes that she has had to travel far and wide, Manchester, Cardiff and London have become frequent destinations for Kathy as sought to achieve national representation.

In the summer of 2014 Kathy hopes to be selected to represent Great Britain in the European Championships in Rome – the SW Water Polo Committee wish her the best of luck!

# Spencer Wilks (15, Christchurch, Dorset, SW, GB)

Another rising star of Water Polo within the SW Region is Spencer Wilks – also from Christchurch in Dorset. Spencer started playing at the age of 12 when his brother invited him to come along to the local Club session. Having been a competitive swimmer with a bright future and also a rugby player, taking on another sport took up a lot of time.

In 2011 Spencer performed well for Dorset in the Inter-County Championships at Millfield and as a result was invited to train with the Exeter Water Polo Club to further his development by playing in the Bristol & West Water Polo League and the British Water Polo League.

Spencer then managed to be selected to attend England Talent sessions in Cardiff where he currently trains with a view to being selected to represent Great Britain in the European Qualifiers in March 2015.

One of the biggest decisions Spencer had to make was giving up playing Rugby in order to follow his dream of playing Water Polo for Great Britain.

# Meritxell Manzano (29, Exeter, Devon, Spain)

Probably the most experienced player, Coach and referee present today is Merixtell. With a whole host of credits to her name, Meritxell started playing Water Polo aged 8 in Barcelona. A very talented junior, Mertixell rose through the junior ranks and was the Top Goal Scorer in Spain's top-flight woman's league in 2002 and 2003, and represented Spain in European and World Championships.

Mertixell is also a qualified and nationally recognised coach in Spain. Having moved to the UK in 2012, Mertixell has assisted with the development of a number of talented athletes at the Exeter Water Polo Club for whom she plays, as well as representing Liverpool in the British Water Polo League, winning the 'Super Fives' in 2014.

Meritxell (pictured below in the blue cap) is definitely a player to watch, and learn from! Meritxell's top tip for becoming an elite player – "...you need to watch as much European Water Polo as possible, it is refereed in a way which permits far more contact than in the UK – if you want to play internationally it is imperative that you get exposure to higher standards of matches...".
