Our Complaints Procedure

If you have a complaint, please contact us with the details. It is preferable that you do this in writing but you are more than welcome to e-mail, fax or telephone should you prefer to do so.

What will happen next?

1. We will send you a letter acknowledging your complaint and if necessary asking you to confirm or explain the details set out. We will also let you know the name of the person who will be dealing with your complaint. You can expect to receive our letter within 7 days of us receiving your complaint.
2. We will record your complaint in our central register and open a separate file for your complaint. We will do this within 7 days of receiving your complaint.
3. We will acknowledge your reply, if any, to our acknowledgement letter referred to above at point 1 and confirm what will happen next. You can expect to hear from us within 7 days of your reply.
4. We will then start to investigate your complaint and we will aim to complete the investigation of your complaint within 42 days. This will normally involve the following steps:
 - * We will pass your complaint to Mr H Pabla, our Client Care Partner.
 - * He will ask the member of staff who acted for you to comment on your complaint.
 - * Mr Pabla will then consider their reply, peruse the information held on your file and examine any other pertinent information relevant to your complaint.

5. Mr Pabla will then send you a detailed reply to your complaint. This will include his suggestions for resolving the matter. He will do this within 7 days of concluding his investigation.

From the date we receive your complaint you should expect to hear from us with a full response no later than 8 weeks.

6. Should you then require a meeting to discuss the points raised in this detailed reply please contact Mr Pabla to arrange a convenient time to meet and hopefully resolve your complaint.
7. Within 7 days of the meeting Mr Pabla will write to you to confirm what took place and any solutions he has agreed with you.
8. At this stage, if you are still not satisfied you may contact us again. We will then arrange to review our decision and this will be conducted by another Partner in the firm who will review Mr Pabla's decision within 14 days.
9. We will let you know the result of the review within 7 days of the end of the review. At this time we will write to you confirming our final position on your complaint and explaining our reasons.

What to do if we cannot resolve your complaint

The Legal Ombudsman can help you if we are unable to resolve your complaint ourselves. They will look at your complaint independently and it will not affect how we handle your case.

Before accepting a complaint for investigation, the Legal Ombudsman will check that you have tried to resolve your complaint with us first. If you have, then you must take your complaint to the Legal Ombudsman:

- Within six months of receiving a final response to your complaint
- and
- No more than six years from the date of act/omission; or
 - No more than three years from when you should reasonably have known there was cause for complaint.

If you would like more information about the Legal Ombudsman, please contact them.
